Friday 15th January

School Gateway

Thank you to everyone who has either downloaded the app or has registered online for the online payments service. We are hoping to get as many people as possible to sign up for this. If you don't have a smart phone you can still sign up on the website (www.schoolgateway.com) and you will continue to receive text messages in the normal way. We are hoping to go 'live' with the service very soon, but need more people to sign up. There is a link on our website should you require further help with the setting up. There is also a link so that you can check your settings if you have downloaded the app. If you have any difficulties with it please speak with Mrs Stanton.

School Dinners next week

On Wednesday 20th January we are having an Italian themed lunch specially prepared by Mrs Armstrong.

Our termly census takes place on Thursday 21st January, the following day, and as a part of this census the government collects information on how many children in Reception, Year 1 and Year 2 have a universal infant free school meal. If your child is in Reception, Year 1 or Year 2 and has a school meal at any time during the school year, we would like as many of these children as possible to have a school meal on Thursday. This will ensure that our funding is accurate and will cover costs for the remainder of the year. Thank you for your help with this.

Lunchtime Vacancy

At present we have a small vacancy to work in our kitchen for 7.5 hours a week (1.5 hours a day). If anybody is interested in this, please see Mrs Stanton or Mrs Douds for more details.
