New Appointment

We have recently employed Mr Jamie Walker, who will start in September as a PE and School Sport Apprentice. This is a scheme that has begun working out of Ashington High School and is the first in our area. Mr Walker will be working with all classes during their PE sessions as well as helping our already established School Sports Organising Crew deliver small games at break-times and lunchtime for those children interested. Mr Walker was in school today and has met all the children!

On behalf of all the staff at Pegswood Primary School, thank you for all of your support over the long year – it has been much appreciated by all. I hope you have a fantastic summer break and we look forward to welcoming you back safe and sound in September.
