

Library News

Thanks to all your wonderful sponsor money, we have made a start on new shelving for the library. Mr Rea is working hard to make sure we have lots of shelf space for all our lovely new stock, which will be put on the shelves next week. We are going to have plenty of space for front facing books on the shelves so that the children can be inspired by the new titles.

ROALD DAHL THE BFG THE SILVER

We now have access to a HUGE selection of online books through the Northumberland library service. The children in KS2 have been given their login details and can begin loaning books. You can find the library via the school website and follow directions to download the app.

What is this?

This Week in school...

Year 3 - This week we have nearly finished our class reader 'James and the Giant Peach' by Roald Dahl. We have also continued to look at Myths and Legends and have started to plan and write our own Myths and Legends. We have enjoyed looking at eBooks as part of the library service.

This week **Year 2** finished reading 'Yours Sincerely Giraffe' and enjoyed discussing the book. The children have also been accessing Bug Club reading on the computers.

This week the **Nursery** children have shared the story 'Noah's Ark'. We learnt that Noah was a good man who took 2 of each animal into the ark that he built and how God sent a rainbow to thank Noah. We learnt the colours of the rainbow, red, orange, yellow, green, blue, indigo and violet. We made a rainbow cake and wore our rainbow coloured clothes on Rainbow Day.

Year 4 - This week we have been reading Kenning poems which are a bit like riddles as you get lots of clues about the theme of the poem without the title ever being mentioned. We have even written our own ones for Mother's Day. We have also been reading different Greek Myths including Pandora's Box and Athena and the Olive Tree. We are thoroughly enjoying our class book, Bill's new Frock, and we are loving all the detail of events and the character descriptions, especially poor Bill!

Reception have been learning all about Jungle animals this week. They have really enjoyed singing along to the rhyming song 'Down In the Jungle, where nobody goes.....' We have been reading 'Rumble in the Jungle' by Giles Andreae and 'Walking through the Jungle' by Julie Lacome, in which the children loved the vivid colours and illustrations. The children have been writing some fabulous clues about their favourite jungle animals to read to their friends to guess what it could be.

Year 1 - This week we have been reading 'Mr Dry Bone and Anancy,' and we used time words to help us sequence the story.
