Comments

Pegswood Primary School has been awarded the Gold Mark Award for the academic year 2015/2016. The school were upgraded from Bronze to Gold as an error was made on their application, either in relation to the number of School Games formats or active club links. The school were able to provide the required information to achieve a Gold Mark Award and retain the level of previous years.

Particular areas of the application where the school was offering an exceptionally strong sports programme, include:

- The School Sport Organising Committee which has representation from pupils at each school year.
- Exceeding the number of School Games formats required to achieve a Gold Mark Award.
- Promoting School Games activity through a weekly newsletter, website and on the school notice board.

Congratulations on achieving your Gold School Games Mark.
