Issue 21

Friday 25th March

Mrs Stanton

After 11 years and 2 months, Mrs Stanton will be leaving school at Easter as she has decided that this is the time to retire. For all this time, Gail has worked as Office Manager and has been the person on the end of the telephone. Recently she has gradually reduced her working week. I am not sure retirement will be very restful yet as she has plans to be involved in additional childcare responsibilities of her grandchildren! However, we would like to thank Gail for all her hard work over the many years and wish her a long, healthy and happy retirement.

Mrs Gilroy

As most of you know if you have seen Mrs Gilroy recently, she is expecting her second child relatively soon. She is expecting to be able to continue in school until the end of this term, when she will be taking maternity leave. We would like to wish Mrs Gilroy and her family all the best over the next few weeks and after that acclimatising to a new member of their family. We will keep you updated on any news when we get it. After Easter, Mrs France, who recently returned from her own maternity leave, will be taking over from Mrs Gilroy in Year 3. Mrs Miller will remain, although the days when each of the teachers are in the classroom may change.

Sponsored Read

We had some wonderful photographs sent in of children reading in all sorts of places. It was an incredible amount of money that was raised – thank you. Mrs Sligo will keep you updated on how this will be spent in the library.

Red Nose Day and World Down Syndrome Day

Thank you for your donations last week for Red Nose Day and on Monday for World Down Syndrome Day. £95.40 and £36.30 was raised for both of these charities respectively.
