Issue 20

Friday 11th March

World Book Day

It was lovely to see all of the 'books in a jar' that were brought in after half term. We had entries from Nursery all the way through to Year 6. They were very imaginative and we hope you had fun making them.

We have now come to the end of our sponsored reading week and we hope the children (and adults) have managed to read lots and hopefully, raise a little bit of money towards our new electronic library system. We have had some fantastic photographs of children 'reading in strange places'. We have even had some strange places sent in by teachers – especially Mrs Welsh! I am told that Hector loved Mrs Welsh's reading!

We have also had the School Library Service in school this week sorting through our library books. This does mean unfortunately that the library is in the process of being sorted and not be able to be used until this is complete. We are hoping it will not be too long.

Red Nose Day

This is taking place across the country next Friday, 18th March. The only theme this year is humour, so children can come to school in non-school uniform. Unfortunately, we will not be selling red noses this year in school, but they are available in different supermarkets. Please stress to children the importance of looking after their own red nose and not sharing it!

Clubs

After an absence of almost two years, we are starting after school clubs again next week. They will run until Easter, when we will review the timetable and run another set of clubs until May half term. Classes from Y2 – Y6 will have the opportunity this half term and then we will incorporate Year 1 after Easter and Reception after the May half term. A club list will be sent out with the newsletter and reading newsletter.
