Issue 26

Friday 5th May

Welcome back after our Easter break, although as that was nearly two weeks ago, school is in full swing again with lots going on. This is a very short half term with lots of different things to fit in.

Year 6 SATs

This begins on Monday morning and continues until Thursday. To help the children remain calm about these we are offering a 'Wake-up' early morning sports club on Monday, Tuesday, Wednesday and Thursday from 8.00am-8.30am. Mr Walker has lots of ideas to get rid of those early morning cobwebs! At 8.30am the children will then have breakfast at school of cereal and toast or cereal and a bacon sandwich, all with a glass of fruit juice. This will hopefully be a chance to catch up with their friends, relax and allay any worries they may have. Year 6 have worked incredibly hard this year, attending maths and English clubs after school and even attending school for two days in the Easter holidays. We are incredibly proud of the work and attitude they have shown.

Good luck!

Music tuition

Please note that music lessons will not be on next week due to the Year 6 SATs. There will also be no mini-band club on Tuesday for Year 3 and 4 due to the music teacher not being in school. Lessons and mini-band club will resume the following week.
