Issue 23

Friday 8th April

Mrs Stanton

It is with sadness today that we say goodbye to Mrs Stanton who is retiring. Mrs Stanton has worked with us for the last 11 years and was in another school before joining us for 17 years. She has certainly earned her retirement. To say goodbye to Mrs Stanton we held our first whole school assembly for over two years to say goodbye. As usual, classes came up with some fantastic ideas as leaving cards that ranged from Reception's register, to Year 3s ideas of what she could do now that she is retired. Once again, we would like to wish Mrs Stanton a healthy, happy and relaxing retirement.

House non-uniform day

Well done to Alnwick who won this half term's competition.

Easter Egg Competition

Thank you to all the children who entered this – the first one since 2019. Mrs Stanton judged each year group and prizes have been awarded to everyone who took part and the one winner from each class.

As the term has ended, we would like to once again thank you for your support. It has been a challenging term with child and staff absences. We hope that the Easter break will recharge batteries ready for the summer term. School opens again on Monday 25th April.
