Pegswood Primary School's Detailed SEND Provision- February 2021

Pegswood Primary School, Longhirst Road, Pegswood, Morpeth, Northumberland, NE61 6XG

Tel:(01670) 512834 Fax (01670) 516195

E-Mail: Admin@pegswood.northumberland.sch.uk

Headteacher: Mr A Waterfield

Deputy Headteacher and SENCO: Mrs E Miller

Pegswood Primary School's Vision for children and young people with Special Educational Needs and Disability (SEND)

We want all our children to enjoy school, to be enthusiastic and to work hard, in order to achieve their full potential. Therefore we give our children the widest and best educational opportunities possible, by striving to provide inspirational, challenging and creative learning opportunities.

We endeavour to ensure that all pupils, regardless of their specific needs, make the best possible progress in our school.

Pegswood First School's Local Offer

regswood First School's Loca	Offici
Question	Answer
How does the setting/school/college know if	How does Pegswood Primary School identify children/young people with special needs? We identify children with SEND by:
children/young people need extra help and what should I do if I think my child/young person may have special educational	Having good communication with feeder establishments e.g. Pegswood parent groups (action for children) and childminders. We receive information (both verbal and paper documents) about children from previous schools/settings that identify any child with SEND or concerns they have about a child, prior to them joining our school.
needs?	Having good links and communication with other professionals e.g. Health Visitors share information about children and their needs.
	Early Years Foundation Stage (EYFS) staff carry out home visits to all new Nursery children prior to them entering our Nursery. At these visits we discuss any concerns parents may have about their child. We ensure 'Quality First' Teaching. The progress of all children is monitored and tracked regularly by class
	teachers and the senior leadership team, so that when a child is not making expected progress for them in a particular area of learning the school can quickly identify the need for additional support. Reliable baseline information highlights if expected progress for a particular child is not being made.
	Teachers regularly share any concerns they may have about a child with the Schools SENDCO Emma Miller. Teachers/Parents/SENCO share concerns they have about their child. How will parents/carers be able to raise any concerns they may have?
	Pegswood Primary school offer the following:
	Open door policy. Parent partnership is actively encouraged and parents are encouraged to raise concerns if

	they are concerned about their child's progress.
	If parents do have a concern about their child's progress they can arrange to speak to class teacher or the
	SENDCO (Mrs Emma Miller)
	School sign post parents to parent support groups/parent carers association.
	School sign post parents to outside agencies such as Gp's and Health professionals if needed.
How will early years	Who will oversee and plan the education programme?
setting/school/college staff	Mrs Miller is the school's SENDCO
support my child/young person?	She is responsible for creating the school's provision map that identifies individual's specific needs and
	matches this to additional intervention to enable a child to make expected progress for them. The best person
	to deliver this intervention is then identified (see attached model)
	When the school identifies the need for additional intervention to enable a pupil to make expected progress, a
	intervention plan is created and shared with parents/carers.
	Intervention plan is created and shared with parents/carers.
	Who will be working with the child/young person and how often?
	Who will be working with the child/young person and how often? Pegswood Primary school have a highly qualified and experienced staff.
	All teachers deliver good 'quality first' teaching. Differentiation is clearly planned for and implemented.
	We have 1 Lead HLTA who is the Nursery manager with a degree in Early Childhood Studies.
	2 further HLTAs (One with an EYFS degree and the other Forest School trained)
	7 TA that are level 3 trained.
	All TAs have had a variety of training in delivering:
	Read Write Inc
	Rainbows – (With 2 HLTAs identified as lead role)
	Paediatric First Aid
	Letters and sounds (sounds great)
	We have 1 ECAT lead professional
	2 HLTA and 2 Teachers trained to deliver Talk Boost and EYFS Talk boost
	2 TAs trained in delivering Nurture group/Social skills support
	1 TA trained in delivering speech and language support
	All staff (Teaching and TAs) have had basic Down syndrome training, ASD awareness and support training and
	basic Makaton training. All are aware of zones of regulation.
	Who will explain this to the parent/carer?
	The school's SENDCO or class teacher will explain the type of intervention and support a child is receiving.
	How the intervention is going will be shared with parents at appropriate times.
	Thew the intervention is going will be shared with parents at appropriate times.

	How are governors/trustees involved and what are their responsibilities?
	Governors are responsible for monitoring the effectiveness of the provision in place for children identified with
	SEND and they will receive a report from the SENCO on the progress of children with SEND.
How will the curriculum be	What are the setting's/school's/college's approach to differentiation?
matched to my child's/young	All teachers and TAs will have the highest possible expectations for all children in their class.
person's needs?	All teaching is based on building on what children already know, can do and can understand.
	Staff plan and implement differentiated activities and learning opportunities across the curriculum to meet
	individual's needs. This may include putting in place different ways of teaching so that your child is fully
	involved in learning in class. This may involve things like using more practical learning or providing different
	resources adapted for your child
	If good quality first teaching with clear differentiation is not meeting the needs of your child then intervention
	plans are written. Intervention plans clearly identify what individual children's need are and smart objectives
	relating to these needs are set out.
	Intervention plans incorporate putting in place specific strategies (which may be suggested by the SENDCO or
	staff from outside agencies) to enable your child to access the learning task.
How will I know how my	In addition to normal reporting arrangements what opportunities will there be for parent/carers to discuss their child/young person's progress with staff?
child/young person is doing and how will you help me to support my child's/young person's learning?	Staff operate an open door policy and will inform parents at regular intervals of children's progress.
	EYFS use tapestry an online learning journal and have shared learning journals that identify progress. KS1 and KS2 both use dojo to share learning online.
	If a child (family) has an Early Help Assessment then regular review meetings (TAFs) are held according to the family's needs.
	If a child has an Education Health Care Plan then review meetings will be held at appropriate times.
	How does the setting/school/college know how well children/young people are progressing? Staff regularly make assessments relating to the objectives about individual children's learning identified on their intervention plan.
	Staff make termly teacher assessments for all children identifying where they are currently working at within
	that year. The senior leadership team analyse this data for different groups of child including those with SEND.
	Any child not making expected progress for them is then identified and interventions altered accordingly.
	What opportunities are available for regular contact e.g. home school book
	Open door policy actively encourages the engagement of parent/carers with all school staff In the EYFS tapestry and learning journals provide a good contact with parents, sharing children's learning both in school and at home.

Reading record provides a daily link with parents.

Dojo use in KS1 and KS2 provide communication with parents.

How can parents/carers support their child/young person

All parents/carers of all children including children with SEND are encouraged to engage with their child's differentiated homework.

Intervention plans are shared with Parents/carers and how they can support their child's needs are indentified on the plan. Parents/carers are asked to sign and comment on the plan. At the end of the intervention plans they are reviewed and this is shared with parents/carers.

Families who have an Early help Assessment (EHA) are encouraged to carry out any actions identified on the plan.

Parents are encouraged to follow any recommendations for support identified by outside agencies.

Does setting/school/college offer any parent training or learning events?

Pegswood Primary school regularly offer parents training and supportive events e.g ' 'The Incredible Years'.

What support will there be for my child/young person's overall wellbeing?

What pastoral, medical and social support is available in the setting/school/college for children/young people with SEND?

The well-being of all of our children is our primary concern at Pegswood Primary school. They are supported with their social and emotional development throughout the school day, through the curriculum and extracurricular activities. Personal, Social and Health Education (PSHE) and Social and Emotional Aspects of Learning (SEAL) are integral to our curriculum and are also taught explicitly on a weekly basis.

Additional support from specialist staff is arranged as needed for individual pupils, both in and out of the classroom; a tailored personal plan may be put in place for pupils with the highest need

All staff have a paediatric first aid qualification

1 TA is the lead first aider

All staff have had training in how to use an epi-pen

All staff have had rainbow training, and can implement support groups for those children who have suffered from 'significant loss.'

2 TAs are trained in delivering nurture/social skills support

All staff have had basic Makaton training.

All staff have had downs syndrome awareness training

All staff have had ASD awareness training

1 Teacher has with manual handling training.

All staff are aware of read write Inc, zones of regulation

How does setting/school/college manage administration of medicines and provide personal care? If a child has a medical need then a medical plan is identified for that child. It clearly states what their need and requirements are eg inhaler usage for asthma, when an epi-pen should be used etc. If a child needs prescribed medication then parents have to complete a medication form. A first aid trained member of staff will administer the prescribed medication at the appropriate times. In Nursery/school if a child with SEND has a toileting issue then staff follow the intermit care policy. Appropriate facilities to accommodate this are provided. What support is there for behaviour, avoiding exclusions and increasing attendance? Our Behaviour Policy; which includes guidance on expectations, rewards and sanctions is fully understood and in place by all staff. A range of strategies are in-place to avoid persistent inappropriate behaviour. Each key stage have their own class based behaviour strategy. Nurture/social group interventions are used to prevent unwanted behaviour and highlight expectations for behaviour. We regularly monitor attendance, support pupils returning to school after absence and take the necessary actions to prevent prolonged unauthorised absence. Pegswood Primary School work closely with the EWO to monitor and ensure persistent absence is not a problem. If a child with SEND is absent due to medical reason then Pegswood Primary school sign post parents to outside agencies for support. How will pupils be able to share their views and how will they be supported to do this? All children complete questionnaires about school and school life. School council actively work with all children to ensure their views are shared. Staff work closely with children to obtain their views on school and their current provision especially prior to Early Help Assessments and Education Health Care plan meetings where appropriate. Children are invited to participate during part of meetings regarding their views and needs if it is deemed appropriate. Are there any specialist staff working in the setting/school/college? What are their qualifications? What What specialist services and other services does the setting/school/college access including education, health, therapy and social expertise are available or accessed by the care services setting/school/college? See above for school based staff experience School also work closely with: Central Hub Children's services
