Year Six SATs Information

Dear Parents/Carers,

Unfortunately, you were unable to attend the SATs Information Evening that we held last night. I wanted to give you a brief overview of the information that was shared and provide you with the resources that were given out.

The Year Six children will be tested in May and their exam papers will be marked externally. The children will sit the following tests:

Monday 8 th May	English Reading
Tuesday 9 th May	English: Spelling, Punctuation and Grammar
Wednesday 10 th May	Maths Paper 1 (Arithmetic) Maths Paper 2 (Reasoning)
Thursday 11 th May	Maths Paper 3 (Reasoning)

We will be developing the children's exam skills throughout the year and will have a week of mock SATs in the Spring Term so that the children are familiar with the process and feel more relaxed about the real tests in May.

The children should have the following handouts for you to help them with their learning at home:

- **Statutory Spelling List**
- **Grammatical Terms Booklet**
- **Reading Prompt Questions** (These questions will help you to develop comprehension skills)
- **Maths Revision Booklet**
- **Calculation Methods Help Sheet**
- **CGP English and Maths SATs Practice Papers** - Please feel free to take your time with these packs. The children can complete a few questions at a time if they prefer and it is fine for them to have some guidance from you. We have not covered the full curriculum yet so some of the topic will still be unfamiliar to the children. I will be sending more of these home at Easter time for further practice. Please hold on to the answer booklets as they will be needed later on!

If you have any questions or queries, please do not hesitate to get in touch.

Yours sincerely,

Miss France
