Friday 26th
January

Forest School

Forest School on Monday will be with Years 5 and 6 – weather dependent. Year 5 can come to school in old clothes (fires are being lit so clothes may be smoky afterwards), but please bring school uniform to change into afterwards. Please can Year 6 come to school in uniform, but bring with them appropriate clothes to change into, to go into Forest School, **including a change of appropriate footwear**. Again, Year 6 will also be lighting fires, so clothes may well be smoky. If they have a pair of wellingtons and a waterproof coat and/or trousers, please bring those as well. If you have any spare or unused wellingtons that you no longer require and are looking for a new home, we would gladly take them off your hands. This also applies to any adult wellingtons as well. Thank you. The two classes that missed Forest School last week because of the gales will get their chance later on in the term.

Clubs

It is not too late to sign up for clubs. The link that was sent out to each class is still live; just click on it to add the details.

Allotment area

The gales finally got the better of the two polytunnels, with the small holes quickly becoming gaping holes. In the coming weeks, we plan to change the area around the polytunnels and the raised beds. The polytunnels will be relocated to where the bird hide is in the small garden and new covers bought. The raised beds will be dismantled, flattened and seeded, with the hope of making a quiet area with benches for children to use at break and lunchtimes. This does not happen overnight, but hopefully you will start to see some changes over the coming weeks.

Nursery places

If you have a child who is 18 months or older and you would like to be considered for a place in our Nursery, please ensure that you have filled in an admission form. These are available from the school office.
