Pegswood Primary School's Vision for children and young people with Special Educational Needs and Disabilty (SEND)

We want all our children including those with Special Educational Needs or Disability (SEND) to enjoy school, to be enthusiastic and to work hard, in order to achieve their full potential. Therefore we give all our children the widest and best educational opportunities possible, by striving to provide inspirational, challenging and creative learning opportunities.

We endeavour to ensure that all pupils, regardless of their specific needs, make the best possible progress in our school.

	may have and ensure we have the correct provision and support in place
	 Nursery open afternoons, where parents and carers can visit the Nursery with their children.
	 Open Days for all parents and carers to visit their child's class, talk to their child's teacher and view their child's work
	Taster Day for all children moving into the next year group.
	Parents Evenings (two formal meeting each year)
	 Intervention plans for children are shared with parents at relevant times. Parents/carers sign and comment on this support. Parents are invited to share the review of these interventions.
	 EYFS have shared learning journals and use school 360 online learning journal which enables us to share learning that takes place in school and at home
	 Homework and Reading Diaries are used to keep dialogue going between school and home.
	 All school, class teachers and parents use class dojo as a means of daily communication.
	 Regular Early Help Assessment (EHA) meetings for those families with EHA SEND review meetings at least termly.
	Agency meetings where appropriate.
	Weekly newsletters that inform parents about all events and activities that the
	children are involved in.
	 The school's website is a good source of information and has relevant information parents may need. There is an SEND section on the website that has SEND
	information.
	How will school prepare children with SEND to join their next setting/college/stage of education or life?
	 Nursery staff carry out home visits prior to children joining the Nursery so parents can share concern and provision can be put into place to meet individual needs before they start our Nursery.
	 Transition visits of all Nursery children to the Reception class
	 Opportunities for children with SEND to spend time with their new Teacher and other staff who will be working with them the term before they move classes.
	• Opportunities to make a 'My New Class' (photo book) that identifies who the key people are, where they will be working and key routines.
	 We have carefully planned and structured transition programmes between us and secondary schools. This will include numerous visits in year 6. A sharing meeting where staff chat about the needs of individual children. Children create an all
	about them book to share with secondary school staff.
OTHER N INFORMATION:	What else do you think parents carers would like to know about your school?
a r	If a parent is concerned about their child accessing the school, how they (are going to) access the curriculum, their behaviour, their mobility or the progress they are making then make contact with the child's teacher or either of our SENDCos (Mrs Smith or Mrs Vallons) as soon as possible.
	We currently use the following intervention programmes at Pegswood Primary School: All classes have a visual timetable.
5	Small group/1 to 1 intervention with a teaching assistant, following targets on intervention plans for both Literacy, Numeracy, PSHE/SEMH and physical .
-	Nurture group sessions
F	Rainbows groups for individuals and groups of children who have experienced significant loss.
	Bug Club Phonics
	Speech and language groups following plans from Speech and Language therapists.
