Issue 4

Friday 30th September

Jeans for Genes Day

Thank you for everyone's donation last week for this charity. A total of £151.95 was raised.

School Gateway

Thank you to those of you who have downloaded the app or registered on the website – we have almost half the school population who have. The payment system allows you to pay for school meals and other items including trips. If you have yet to sign up, I would urge you to do this, as it is a simple quick way to do this without sending money into school. **Any money that does come into school must come in a named purse or envelope in order for Mrs Stanton to identify who it is from. It should also have what it is for.**

Schoolgateway

Healthy Living Week

This begins on Monday with a fitness day for all children. Please can all children come dressed in sports clothes on Monday.

Year 5 & 6 Clubs

We have spoken to the Year 5 and 6 children this week about their commitment to clubs. If they have signed up to participate in a club, we would expect them to attend every week. However there may be occasions when they are unable to attend a particular session for a number of reasons. If this is the case we would expect you to write a note in your child's planner explaining that they won't be attending the club. We have spoken to the children about making sure they show either their teacher or the teacher running the club the written note. Failing that, please phone in to the school office so that staff are aware.

Sainsbury's School Games Mark

You may see from our 'new' logo at the foot of our page that we have added to the last two years' gold medal with a further one this year. We were externally moderated last Friday and were overjoyed at the outcome. This recognises the importance we give to sport and the opportunities we offer to participate in it at school. It also recognises the leadership opportunities that are offered to the children. A huge 'Well done!' to everyone. Please visit the website to read the external moderator's short report.

Year 5 & 6 Kingswood Meeting

A separate letter has been given to Year 5 & 6 children today regarding visit meeting on Wednesday night at school.

Cookery Demonstration

As part of Healthy Living week, Anne Stonell, who prepares the meals at Pegswood Community Hub, has kindly agreed to come into school and give a cookery demonstration for parents. This will be on Tuesday 4th October at 2.15-3.15pm. Please contact Mrs Stanton if you would like to attend.
