Issue 33

Friday 28th June

Year 5/6 Bake Sale

The children who didn't go to Kingswood were extremely busy learning about dementia. They researched the effects and causes of it and because it was 'Cupcake Day for Dementia' whilst the Kingswood children were away, they all baked cupcakes and sold them on the Friday. They made £115.62 for the charity. Well done to all the children who worked so well during the three days.

Year 2 Bake Sale

Well done to Year 2 for their bake sale this morning to help fund their trip to Beamish. They worked hard to decorate all the cakes and biscuits and sales were going well! The biscuits were very tasty and were perfectly decorated. A final figure is still being counted but we believe to be in excess of £100 at the moment.

Northumberland School Games

The long awaited Northumberland School Games were held yesterday with over 1200 children attending from all over the county. Our Year 5 hockey players played some great hockey but were up against some strong competition. They finished 5th winning one match and losing four. Our Year 6 also played some great hockey and won three matches and lost two. This was enough for them to finish with a bronze medal. Well done to all of the players from both year groups.

Year 6 Enterprise work

You will have received an advertising poster and order form tonight about a project that Year 6 have been working on since half term. We are extremely proud of the packs they have produced and have begun to sell them. Year 6 did a presentation this morning to the Governors of the school, who were also extremely impressed with the finished product. Please go onto our website to read the full story about what Year 6 have been up to with their enterprise work.

Parent Governor Results

The winner of the recent vote for the above position was Eryn Huck. Thank you to Eryn and Claire for standing for this position and to everyone who cast their votes.
