Issue 27

Friday 27th May

Jubilee Lunch

The weather was kind to us as we all had our jubilee picnics on the grassed area outside Key Stage 2. Check out the website shortly for photos. Even 'The Queen' made a special guest appearance!

All week children have been following the book 'The Queen's Hat' by Steve Antony. There have been parts of the book around school for the past fortnight and all the children have designed their own version of the Queen's hat and these are displayed along the front of school in the windows. More parts of the story are displayed along the front railings of school along with Reception's hats, adorned with beautiful flowers. We hope you and the community enjoy the small display.

Photographs

All children will be coming home with log in details of how to order photographs. When logged on, please ensure you choose the correct class. There will be free delivery to school on all orders before 12th June.

Pegswood Park Competition

Please see the attached poster sent to us from the Parish Council about an exciting competition to design a new welcome board for the park. The winner will receive a £50 Smyth's Toys voucher and their design will become the new board. Two runners-up will receive a £25 voucher each. Entries need to be posted in the box in school's office area, or to the Parish Councils offices. Good luck!

Year 6 Ashington Academy Transition Day

This will take place on Thursday 7th July. Children should not come to our school at all on that day, but make their own way to the academy as per the letter that you will have already received.

Diary Dates
