

<u>Nursery</u>

The list contains picture books and most are repetitive books like songs. All children can join in and should learn the importance of looking after a book. How to turn a page, what is on the front cover of a book, what is the job of the author and illustrator and where we can who they are on the book. Children will learn the stories word for word when practised and read enough. (See Pie Corbett's Reading Spine for more detailed teaching notes)
