Pegswood Primary School News

Issue 8

Friday 6th November

Children in Need
This will be on Friday 13th November. If your child would like to dress up in non-uniform and come dressed as their favourite Superhero for the day, dressed in spots, stripes or something else then that would be fantastic. All we would ask for is a small donation if your child comes as a Superhero or in non-school uniform.

Bookshop
Our second bookshop of the year will be on Wednesday 18th November at the normal times. Remember, if your child has received any 100% stamps for their weekly attendance then they can spend them at the bookshop. Alternatively, they may wish to save them up and wait until the next bookshop in the New Year.

Year 5 Kingswood Residential meeting
This is taking place in Mrs Wallace's classroom on Wednesday 11th November at 5.00pm. A representative from Kingswood will be there to give more details about the trip. We have already had some reply slips from the children and a few deposits too! Excitement is mounting – just 6 months to go!!

Christmas Fair
A reminder that this is on Friday 27th November from 5.00pm – 7.00pm at school. We are starting to collect donations for the children's tombola, adult tombola and the raffle. If you have anything that you are able to donate please bring this to the school office.

Half term building work
New storage units have been installed along the Key Stage two corridors and look great. Mr Rea has continued to be busy and is in the process of finishing decorating our new indoor space for Forest School. Lots and lots of paintwork has been completed both over the summer holidays and half term by Mr Rea and because of that our school now looks modern and fresh.

Tapestry
Early Years staff would like to thank all the parents and carers for logging onto their child's Tapestry on-line learning journals and sharing activities on it. This is a fantastic start to our use with this new resource.
