Friday 3rd July

We hope this newsletter finds you well.

Uniform

If you missed the cut off date for free home delivery from Emblematic, you can still order from them and have your items delivered for a charge. Emblematic have advised that all orders should be placed before 1st August in order to be ready for September.

Some parents and carers may be aware that in the early days of the pandemic, guidance and advice on uniform and how often to wash it was circulating and you may be worried about how many items of uniform you may need to buy. In the latest in a long line of updates from the Department for Education, they included the following: "There is no need for anything other than normal personal hygiene and washing of clothes following a day in a school. Uniforms do not need to be cleaned any more often or differently than usual."

During the last three and a half months, some children may have decided that they wished to experiment with different hair styles (we all had to with either home cutting or no cutting having to be the norm!) and colourings. Whilst this was the perfect time to experiment, come September when we return to school in whatever format we do, please make sure that we are back to the accepted hair styles that we have always had and that hair colours are the natural colours.

September

We are aware that guidance on returning to school was issued last night. We are currently digesting it to see how we can operate within this. We will contact you once we have done this.

Year 6 locker keys

If you have not returned your locker key, please do so by handing it into the office between 8.30am – 11.00am over the next two weeks. If you have something to collect from your locker, please contact school and we can have the items waiting for you when you hand the key in. You will not be allowed to enter school to empty the lockers yourself.
