We believe 'bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally. Bullying can take many forms (for instance, cyber-bullying via text messages, social media or gaming, which can include the use of images and video) and is often motivated by prejudice against particular groups, for example on grounds of race, religion, gender, sexual orientation, special educational needs or disabilities, or because a child is adopted, in care or has caring responsibilities. It might be motivated by actual differences between children, or perceived differences'. (DfE)

Pegswood Primary School

We have a duty of care to protect pupils from bullying as part of our responsibility to provide a safe, secure, caring and friendly school environment for all the children in order to protect them from those who wish to deliberately hurt them either physically or emotionally. We believe all our safeguarding procedures are in line with current legislation and advice and that we promote the welfare of all children in our care.

We are aware that bullying is not a criminal offence but we will report to the police any incident of violence or assault, theft of school equipment or personal belongings, repeated incidents of harassment or victimisation or hate crimes.

We work hard to eliminate all forms of bullying, to keep records of all incidents of bullying and the different types of bullying that occur in this school.

We acknowledge that if bullying is left unaddressed it 'can have a devastating effect on individuals. It can be a barrier to their learning and have serious consequences for their mental health' not only in childhood but also into adulthood.

We are aware that bullying can cause anxiety, depression, hyperactivity and behavioural problems but the results from recent research that anxiety and depression caused by childhood bullying decreases over a period of time. Bullying does cause suffering but the impact on mental health decreases over time, so that children are able to recover in the medium term. Research results also show the potential for resilience in children exposed to bullying.

We work hard to prevent bullying from happening and to support children who have been bullied by having in place resilience processes in order to help their recovery. We will provide counselling, engage with parents, if necessary refer to the local authority's children's services or complete a Common Assessment Framework or refer to the Child and Adolescent Mental Health Services. All support will be reviewed and improved if necessary. It is very important to work with parents and to keep them well informed at all stages.

We believe it is our moral and legal duty to protect lesbian, gay, bisexual, and transgender pupils and school personnel from all forms of bullying and to educate all pupils about the important role that lesbian, gay, bisexual, and transgender people play in society. All forms of homophobic and transphobic bullying must be challenged, dealt with and recorded.

We believe by creating a safe, secure and caring school environment we will encourage all pupils to report any incident of bullying to a member of the school personnel.

We are aware that under Sections 90 and 91 of the Education and Inspections Act 2006 that we have the power to discipline pupils for misbehaving off the school premises such as on school or public transport, outside local shops or in a town or village centre. All reported incidents of bullying outside school will be investigated and acted on.

Under no circumstances will we tolerate any form of bullying and all incidents of bullying will be dealt with promptly and effectively as we wish to promote the wellbeing of all pupils.

Pegswood Primary School

We work hard to demonstrate the effectiveness of this policy by ensuring all incidents of bullying are investigated, are dealt with and the outcome of each incident.

We wish to endorse the School Standards and Framework Act 1998 by having in place an effective Anti-Bullying Policy that demonstrates good practice in order to prevent bullying among pupils.

We believe we can achieve this by ensuring strategies are regularly reviewed; by creating a safe, secure and caring school environment; by involving pupils, parents and governors; by teaching anti-bullying through the curriculum; by organising anti-bullying events; by effectively training school personnel; by working with the local community; by dealing with all reported cases of bullying; by having in place an effective reporting system; by celebrating effective preventative strategies; and by ensuring all school personnel are aware of this policy and use it as a working document referred to when dealing with incidents of bullying.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

pastoral support and care for both pupils and school personnel, training for school personnel and with working with parents. We teach all our children about safeguarding.

We work hard to ensure that everyone keeps careful watch throughout the school and in everything we do for possible dangers or difficulties. We want all children to feel safe at all times. We want to hear their views of how we can improve all aspects of safeguarding and from the evidence gained we put into place all necessary improvements.

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.
