Issue 18

Friday 16th April

Welcome back after the Easter holidays. It has been lovely to welcome back the children into school again and we have been lucky enough to have beautiful sunshine throughout the week. Children have returned well as we start our final term before the summer break, in what has been another strange year. We do feel however, that there are some small steps being taken to return to some sort of normality.

Class Photos

These have been pencilled in for Monday 24th May, at the moment. They will take place, wherever possible, outside. The date will be confirmed, as we get closer.

Clubs will hopefully be up and running in the very near future. Little Movers is already under way with Year 2 and there was, by all accounts, a fantastic session last week.

A limited set of diary dates will be published in the near future.

We have been made aware today by Northumberland County Council that there is an amendment to their planning application, which was submitted about building on the land next to the school car park. We are now in discussions with a variety of teams from the Local Authority about potential alterations we need in order to safeguard our full school community against a possible increase in traffic through our existing car park. I will keep you updated, once we know more. The new date for consultation is the 6th May. Follow the link below to view the application.

<https://publicaccess.northumberland.gov.uk/online-applications/search.do?action=simple>

Typing in a search word of 'Pegswood' should bring the planning application up.

Diary Dates

Monday 3rd May May Day holiday – school closed
