Issue 13

Friday 17th December

Thank you for all your support throughout a long and difficult term. Up until a few weeks ago, we had been spared large amounts of coronavirus cases in school. Somewhat inevitably, it finally caught up with us and has ripped through Year 5 this last week. For those children in Year 5 unaffected, please keep testing as we move into the Christmas holidays as we have had another couple of cases in the past two days. Please keep an eye on symptoms and our advice to everyone would be that if your child is unwell, whether they have the official three symptoms or not, complete a lateral flow test. If your child tests positive up to and including Sunday 19th December, please would you inform school on the email address: covid@pegswood.northumberland.sch.uk

You do not need to inform school if there is a positive test after Sunday. Obviously, we will need to be informed if anyone tests positive at the start of the New Year in the days preceding the opening of school.

Teacher Training Day

School will be closed on Tuesday 4th January for a Teacher Training Day.

Bikes and scooters

Please ensure that no bikes or scooters are left in school over the Christmas period. We will not be able to take responsibility should anything happen to them during this time.

Reading Newsletter

Our reading newsletter elf is resting this week, due to spending large amounts of time this week working in the library after school on most nights, to create an even better environment for our children when they return after Christmas.

Diary Dates

Monday 3 rd January	School Closed – Bank Holiday
Tuesday 4 th January	School Closed – Teacher Training Day
Wednesday 5 th January	School open for start of spring term

We wish you all a very Merry Christmas and hope everyone is able to enjoy it, whether you are isolating or not. We look forward to welcoming you back safe and sound to start the spring term. Take care.
