Issue 22

Friday 21st May

School Photographs

We are having our usual school photographer, Michelle Fowler, in school on Monday 24th May to take class photos. These photos will be taken outside, weather permitting. Should the weather stop the photographs being taken, we will be in touch with you with an alternative date.

Half Term

Next Friday, 28th May, is our final day of half term. We return to school on Monday 7th June. This was originally a Teacher Training Day, but because we changed this at Christmas, all children will be in school on 7th June.

Ashington Academy Forms.

If you have yet to bring the forms back that Ashington Academy sent to you, please ensure that they are returned to us by Wednesday 26th May. Ashington Academy will be collecting them from us. Any form handed to us after they have been collected by the Academy, will be returned to you and it will be your responsibility to ensure they receive it.

Covid-19 Testing

Whilst there are far fewer people having Coronavirus tests now, please can I remind you that if anybody within your household or 'bubble' go for a Covid-19 test, the whole household should self-isolate until the test result returns as negative. **Please do not send children into school whilst you are awaiting the results – even if it is not the children who have had the test.** Please can I also remind you to inform school if you are taking your child for a test and inform school of the results. We have had instances this week where these two things have not happened. We have an email address for you to inform us that you are being tested and more importantly, the results.

This address is: covid@pegswood.northumberland.sch.uk Thank you.

Free School Meals

If you feel that your circumstances have changed regarding employment or anything else and you now believe you may qualify for Free School Meals, please follow the link in order to apply for them.

The application for Free School Meals is not referring to the Universal Free School Meals that are available to all children from Reception to Year 2. However, if your child is in Reception, Year 1 or Year 2, please apply for Free School Meals, as there is a benefit to school.
