## Year 6 Leavers

It is with a tinge of sadness that we say goodbye to our Year 6 children. As well as sadness, there is also excitement as they embark on the next step of their educational journey.

Wednesday's Leavers' Assembly was a fitting way to end their time at Pegswood Primary School. From all the staff that you have come into contact with along your journey here, we wish you the very best of luck!

## Sainsbury's School Games Mark

We have once again submitted all our data to register for the School Games Mark. Our data showed that we were eligible for another Gold award – our 5<sup>th</sup> in a row! However, School Games Mark have brought out a special award of Platinum Mark. For those schools achieving Gold Mark for four years, written evidence could be submitted documenting a case study on a particular question. As you can see from the logo, we have been successful in achieving the PLATINUM standard. This award stands for two years.

This recognises the importance we give to sport and the opportunities we offer to participate in it at school. It also recognises the leadership opportunities that are offered to the children. A huge 'Well done!' to everyone.

On behalf of all the staff at Pegswood Primary School, thank you for all of your support over the long year – it has been much appreciated by all. Goodbye and good luck to those families leaving us. I hope you all have a fantastic summer break and we look forward to welcoming those returning, safe and sound in September.
