Friday 20th January

Dear Parents/Carers

As you should be aware from the newsletter, we are looking to move the school onto a new system for school lunches called Live Kitchen. You will be able to pay for school lunches, view our school menus and pre-order meals for your child. In time we are hoping to introduce other payments onto the system, not just school lunches.

In order for this payments system to operate we need to have your permission to send the email address details that we hold in school to Live Kitchen, in order for them to email you log in details. Can you please provide this information and return this back to school by Thursday 26th January. If your email address has changed recently and school does not have this new address, please write it in the space provided.

Many thanks

Yours sincerely
