Friday 28<sup>th</sup>  
March

## Mrs Franklin

After 20 years working as a Teaching Assistant at Pegswood First and Primary School, Mrs Franklin is leaving us today. We would like to thank her for all her hard work over many, many years. She has worked with most age-groups and even supported school by being on the governing body. We would like to wish her good luck with her next ventures and I am sure we will see her in school again at some point.

## Decorated Easter Eggs

Thank you for all the creations of Easter egg designs. There were so many across the school and they were all fantastic. There are photos on the school website of all the designs, under the children's classes.

## Easter Hamper Raffle

Thank you to everyone who bought an Easter raffle ticket for our two hampers. A total of £163 was raised and well done to our two winners.

## Bounce-a-thon

The bouncy castle has been in constant use from 9.00 am this morning – even through break time and lunchtime. All the children from Nursery to Year 6 have enjoyed their bounce and we hope you have enjoyed seeing the photos on Class Dojo. All children will be coming home with an Easter egg tonight and we hope they enjoy it.

If all outstanding sponsorship money could come into school as soon as possible after the holidays. A huge thank you to Mrs Provett for organising the event.

We close tonight for the Easter holidays and open again on Monday 15<sup>th</sup> April. We hope you have a lovely Easter break and that the weather improves at some point!
