

## Pegswood Primary School Catch-Up Premium Information 2020-21 (Version 2 April 21)

The government has announced funding to support children and young people to catch up. This includes a one-off catch-up premium for the 2020 to 2021 academic year. This funding will be provided in 3 instalments.

Schools should use this funding for specific activities to support their pupils to catch up for lost teaching over the previous months.

Schools have the flexibility to spend their funding in the best way for their cohort and circumstances.

### Planned Catch-Up Premium Expenditure for 2020-21

The total amount we will receive will be **£12 640**

We will target the attainment and progress of our children in the following ways and spend our allocation as described.

Estimated Amount	What we plan to use the money on	Why we will use the money in this way	The impact on our pupils	Column Ref No.
£2200	We will use existing teaching assistants on part time contracts to do extra hours in KS1 and KS2 to provide targeted additional support, consolidation and challenge to specific groups of identified children.	The existing members of staff know our children better than anyone and will play an essential role in supporting children who require extra resources accessing parts of the curriculum due to not being in school during the Coronavirus outbreak. This will be in small group situations or 1:1.	Our children will work on areas of the curriculum that they require in order to reduce the gaps created by lack of schooling during the Coronavirus outbreak.	1
£7600	Additional TA support in redeploying staff to work with Reception and year	The existing members of staff know our children better than anyone and will play an essential role in supporting children who	Our children will work on areas of the curriculum that they require in order to	2

	groups where extra TA hours have not been used.	require extra resources accessing parts of the curriculum due to not being in school during the Coronavirus outbreak. This will be in small group situations or 1:1.	reduce the gaps created by lack of schooling during the Coronavirus outbreak.	
<del>£3000</del>	<del>The purchase of additional ICT resources for children to use in school.</del> Laptops received from the DfE during the second lockdown.	<del>To update ICT hardware to ensure children have access to reliable and up to date technology.</del>	<del>All children have the opportunity to use up-to-date, technology and resources to motivate, enrich and engage children across the curriculum.</del>	<del>3</del>
£2900	Thriving Minds support bought to implement across the school.	Staff training, Thriving Minds assessments of individuals, plans to use with individuals. Groups or whole class to support emotional well-being. Workers to work with families to implement plans at home.	All children to access Thriving Minds approach to ensure children are emotionally supported and ready prepared for challenges and learning.	

**Total Anticipated Expenditure ~~£12 800~~ £12 700**
