

Dear All,

Over the last two days over 30 of our Year 3 and 4 children have been representing Ashington and Coquet in the Northumberland School Games in Cramlington. Teams from the other five areas of Northumberland (Tynedale, Morpeth and Ponteland, Blyth and Bedlington, Cramlington and Seaton Valley and North Northumberland) were also competing. To qualify for the School Games, teams had to win their own area competitions. Our teams qualified in Tag rugby, Tri-golf, gymnastics and athletics.

There was also a competition to design our area's flag. Josh and Ellie in Year 4 won that competition which was judged by Year 13 students at Ashington High School.

Our children were outstanding competing against the best in the county in their age groups.

## Results

Gymnastics - Bronze medal for joint third.

Tri-golf - Silver medal for second.

Athletics - Silver medal for second.

Tag rugby - Gold medal as County Champions.

Please visit our website to view more photos and hopefully in time, reports from the children.
