Issue 34

Friday 17th June

Year 2 Bake Sale

Thank you to Year 2 and everyone who donated money for the children to buy cakes at the cake sale last week. They looked great and tasted fantastic, although I didn't taste them all! £63 was raised towards the Year 2 trip to Beamish.

Enrichment Week

We are now in the position to give more details about our enrichment week and possible involvement by parents/carers during the week. Below are the planned events during the week and information about how you can be involved.

Monday 4th July – Samba drums - Reception to Year 5 will have the opportunity to learn to play these drums. If the weather is kind, we are hoping one of the classes will entertain you as you collect children at 3.00pm.

Tuesday 5th July – Key Stage 2 children will learn the non-combat martial art Capoeira. Each class will have a session and then we would like to invite **Key Stage 2 parents to a performance at 2.30pm.**

Wednesday 6th July – Reception to Year 5 children will have the opportunity to learn the Paralympic sport of Boccia. **There will also be an open session between 3.00pm and 5.00pm for adults to accompany children to have a go. Children must be accompanied by an adult for this session.**

Thursday 7th July – Classroom time

Friday 8th July – Nursery, Reception and Key Stage 1 will learn a variety of circus skills based on the theme of 'Carnival' throughout the day. **Reception, Year 1 and Year 2 parents and carers are invited to their performance at 2.30pm.** Nursery parents will receive information about this and their involvement via Nursery.

We hope the weather will be kind and some of the activities will be outside during this busy week.

E-Safety

We will be running an e-safety information session on Tuesday 28th June at 5.30pm. A Northumberland County Council e-safety consultant will be helping us run the session which I hope will be informative and keep this important safeguarding issue at the forefront of our thoughts and practises, both in school and at home.

Roots and Shoots

A group of Year 4 and Year 5 children have been involved with The Alnwick Gardens since March and have grown, and are continuing to grow, produce in a raised bed there. Yesterday was our third visit and we returned with two bin liner bags full of lettuce, radishes and chard leaves. Mr Rea has been busy washing the produce today and all sale proceeds from the sale tonight will be used in our allotment. We hope that if you bought any produce tonight, that it will be tasty!

Summer reading

With the summer holiday fast approaching, we are promoting the library service's summer challenge in order to try and encourage as many children to continue reading throughout the holidays. Please find details attached to the email or newsletter.

Diary Dates
