Reading Newsletter

We are really trying to focus on reading in school and to raise the profile of it, Mrs Sligo is hoping to send out a reading newsletter each week, alongside our normal newsletter. Please find the first one attached this week.

Harvest

We will be collecting food items (described below) for our Harvest collection between the dates Monday 4th October and Friday 8th October rather than on any one particular day. If you feel that you can contribute, please either give your child the donation of food to bring into school during that week, or donate directly to the school office. Once all the food has been collected, we will halve the amount and it will be collected by the Hub and Pegswood Co-op, who collect for the foodbank.

We have been asked that donations should be tinned foods, dried foods or packet foods and that the foods should all be in date. Thank you in advance for any donation you feel you can make.

Parents'/Carers' Evening

The links have now been sent out for this. You should be able to book your appointment time for the relevant date.

Nursery – Monday 18th October & Tuesday 19th October

Wear it Pink Day

We have decided to support the 'Wear it Pink' day in order to raise money for breast cancer care. Children can come to school wearing something pink on **Friday 22nd October**. Any donation would be gratefully received towards the charity.

Forest School items

If you are in the process of having a clear out or are buying new wellington boots, please would you consider donating them to our Forest School. We are particularly looking for slightly bigger sizes (4-7) and as long as they do not leak, we would be able to use them.

We are collecting vouchers currently being given out by Morrisons for gardening equipment. Please hand them into class or the office.
