### Serious About Science Club – 3.15 - 4.15pm

Dear Parents,

We are delighted to announce that we have arranged a science club aimed at Year Two children starting on Tuesday 20<sup>th</sup> September. To make the club more beneficial for the children, we have decided to run it with Miss Appleby's class for four weeks before half term and then Mrs Tantum's class for four weeks after half term (starting on 1<sup>st</sup> November). The children will take part in a range of exciting experiments which we will hope will inspire them to enjoy science and develop their writing skills at the same time.

Please can we ask you to provide the children with a large shirt or T-shirt that will protect their school uniform, as some of the activities might be a little messy.

Yours sincerely

Mrs Smith and Mrs Vallons
