Pegswood Primary School

Friday 5<sup>th</sup> February

## This Week in school

It has been a very creative week in school. The Year 3 children joined a dance workshop, the year 2 children produced some beautiful reports and the year 5 and 6 children completed their textiles wall hanging project.

HAVE A LOOK ON PAGE 2 FOR THE PHOTOS!

Next week, we have our fabulous Valentine's Disco to look forward to, plus the reveal of this year's World Book Day home project. Over the last few years, we have had decorated hats, book in a jar and even book in a box, what will this year's be?

## Fantastic Forty

We have our very first gold award winner. What a huge achievement, and it's only February! Freya has read all 40 recommended reads for Year 2 - what a superstar! She has earned a Waterstones book voucher and her gold badge. You can find the list for each year group on our website, or by clicking [this link here](#).

If you have a bookworm in your house, [The National Year for Reading](#) have put together their top 100 books for children. Scan the QR code to have a look online.

# This week's highlights...

## Super Sewing

Year 5 and 6 have thoroughly enjoyed their textiles project, with some even saying they would like to do more at home. We are very proud of the super results and incredibly grateful for the support from our WI volunteers who have given so much time, care and attention to the children.

## Parking

Could we please ask that you consider the families with buggies and pushchairs when parking in the morning and when collecting at night? In some areas, people have to go on the road to get past cars.

Please can we also ask that you consider the local residents when deciding where to park.

## Rain, rain, rain...

The wet weather hasn't stopped our early years children from enjoying the outdoors. This week, they have found out more about the native birds from their RSPB Schools Bird Watch, and have made time for muddy puddle jumping along the way.

## Wonderful Writers

Year 2 have been showing off some of their wonderful writing this week. They have spent a lot of time researching and drafting to produce their non-chronological reports about minibeasts.
