Monday 22<sup>nd</sup> June -

Careers Week

## Year 6 SATs

**Good Luck**

We would like to send a HUGE Good Luck! to all of our Year 6 pupils who will be sitting their assessments next week. They have worked so hard over the last term to revise their learning from Year 3 to now, and we are very proud of them. They are really looking forward to their Treat Day on Friday - a trip to Sambucas in Morpeth - for their dinner. They will be in school from 8am each day next week so that they can eat breakfast together and prepare for the day.

We are delighted to be able to share the news with you, that Miss V Tuart has been appointed by our governors as our new Headteacher from September.

She made a fantastic impression on the children when she came for interview and is looking forward to meeting some of you at our Summer Fair on the 13<sup>th</sup> of June.

# Highlights...

## KS2 Outdoor Enrichment

Thanks to the teaching students from Northumbria University, Key Stage 2 had an amazing two days outdoors, completing all sorts of practical challenges and demonstrating all our school values.

# VE DAY

Today, children across the school dressed in red, white and blue to commemorate VE Day. Each key stage took part in an assembly and completed activities in class to support understanding about victory in Europe on this day in 1945.

## Getting Creative in Year 2

The Year 2 children have loved exploring and creating their own sculptures this week. They have used lots of different skills to make their clay relief castles and have demonstrated excellent scoring and slip methods.
