Calling all Budding Illustrators...

This month is #inktober and there are daily prompts to be found online so you can create a new illustration each day.

You can find the prompt list [here](#).

## Buddy Reading

This week, Year 6 have extended their buddy reading services to Year 3 and Year 4 and are proving fantastic examples to children who are working their way through Bug Club books online.

# What's been going on around school this week?

This week I sent out a reading questionnaire to all the children in KS2. Here are some of the responses that children gave to one of the questions.

"Yes, because it helps me get to sleep."

"Yes, because I feel better for bed."

"Yes, I love my mum and dad reading to me because they read very well and they have voices for each character."

## Do you enjoy an adult reading you stories?

"Yes, because it is relaxing!"

"Yes because they make it funny."

"No, because I love reading to them and it makes them smile."

"Yes, because it helps me unwind and pronounce words"

You might have noticed how lovely and tidy our library is looking at the moment. Well, we now have a little bit of help from a parent on Wednesday afternoons. She is doing a fantastic job of organising the books, sorting displays and reading with the children.

If you feel that you could give a couple of hours a week to help us keep on top of our increasing numbers of books, pop into the office and let Mrs Kennedy know.

## The Library Lunchtime Club

Starting from this Monday, the 17th of October, the library will be open for any child in KS2 who would like a comfy place to sit and read. I will be on hand to renew or change any loans and help with any tricky book decisions. There will also be book reviews available to complete if you have finished something particularly juicy and would like to share it with others.

## Spooky Library Books

Have you visited our spooky Halloween display in the library yet? I know lots of people have because most of the books I put out, have now mysteriously disappeared!
